*The Power Boat Nationals are held along the Kankakee River over Labor Day weekend. For the past several years, this event has been bringing an estimated 35,000 people from all over the country to watch some high speed competition. The Power Boat Nationals features more than just races, with live music, a full-service carnival, beer tent, and craft fair. If you would like to participate in the fair, please read the following rules, complete this application, and return it with payment.*

**The following rules will be strictly enforced.**

This fair is not exclusive to homemade items; flea market items are welcome as well as home distribution products. Crafter/Vendor must provide tent, table and other accessory needs. Booths are 10 feet by 10 feet without the option of power and are \$90.00 for three days. Spaces will be assigned based on first come, first serve. Crafter/Vendor must be within assigned space; selling or displaying merchandise outside of assigned space is prohibited.

The Kankakee Valley Park District (KVPD) reserves the right to be selective in the types of vendors to be admitted into the show. We will not guarantee exclusive rights to sell a particular item to any vendor. We reserve the right to prohibit sales of nuisance and inappropriate items. The KVPD prohibits the sale of or display of obscene, pornographic, racial material, or weapons of any kind. If one of these prohibited items is sold, vendor will be requested to leave with no refund. Soft drinks and water sales are also prohibited; these items are restricted to food vendors only.

All driveways and roads must be clear by the time gates open. Parking will be allowed in a designated parking area. No vehicles are to be left on the grounds near your booth.

Crafters/Vendors may make their own hours, the Kankakee Valley Park District will not determine hours of operation. A schedule of events will be available closer to the date of the event. Security will patrol the area at night but the Kankakee Valley Park District is not responsible for lost or stolen items.
